

107 Accessories

Styling and touring

1. Tailgate spoiler

Designed by the Peugeot design studio to complement the original vehicle styling, the 107 rear spoiler adds that extra sporting touch.

2. Eveys alloy wheels

Available in 5.5J x 14"

5. Fog light kit

Increased visibility in fog will enable you to see and be seen. The low level of these foglights helps penetrate the fog, illuminating the road ahead so you can drive more safely.

3. Aluminium interior trim kit

Create a sporty interior with this aluminium trim kit. Comprises instrument panel fascia surround, gear lever gaiter surround and two electric window control surrounds.

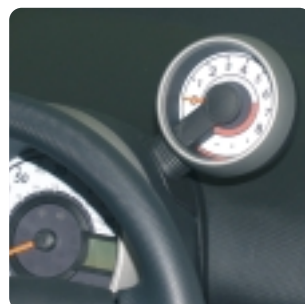

6. Sports rear lights

Create a sporty exterior with these truly distinctive sports rear lights.

4. Aluminium gear knob

Complete a sporty interior with this high-quality aluminium gear knob.

7. Rev counter

Add to the sporty look and feel with this pod-mounted rev counter.

8. Parking aid

To help you manoeuvre more safely. The system emits audible beeps when the car approaches an obstacle. Please note this system will not work whilst towing.

13. Rear window sunblind

Reduces glare and helps keep the interior cool.

9. Stainless steel sports rear silencer

For the sporty look and sound.

14. Door wind deflectors

Set of two deflectors to increase ventilation into the cabin whilst minimising noise and buffeting.

10. Manual tilt and slide sunroof

This manual sunroof can be tilted up or can slide all the way back for a real open-air feeling.

15. Glove-box lid

This glove-box lid complements the 107's stylish interior and adds practicality, keeping your valuables out of sight and neatly tucked away.

11. Central front armrest

Hinged armrest with storage compartment for six CDs.

16. Roof bars

Available for 3- and 5-door models. 60kg capacity.

12. Rear side window sunblind

Set of two rear window sun blinds that reduces glare and helps keep the interior cool.

17. Roof-mounted cycle attachment for use with Peugeot roof bars

This carrier securely locks the bike to the roof bars. It attaches to the bike on each wheel and frame (as pictured). There are versions of the carrier available for cycles with and without standard tubular frames.

In-car technology

1. TomTom GO 300

The very latest in portable navigation from TomTom. No set-up or subscription charges – simply plug in, switch on and GO. This smart, easy-to-use, navigation unit comes pre-loaded with UK mapping and includes a screen mount and in-car power lead. Entering address details could not be easier thanks to its touch screen operation and postcode navigation.

2. VDO Dayton PC5400 satellite navigation system

Using GPS satellite guidance technology to direct you with pinpoint accuracy. Providing visual and audio commands, this user-friendly satellite navigation system is a must for people who regularly visit new places. The system has the additional option of TMC, which links to live traffic information, guiding the user around congestion and traffic hold-ups.

4. MP3 connection cable

Auxiliary input cable allowing connection of MP3 players to the vehicle audio system.

3. Smartnav dynamic navigation system

An easy-to-use dynamic navigation system that takes into account live traffic information, helping you to avoid traffic hold-ups. Simply press the Smartnav button, verbally confirm your destination and you're away. Additional options include 'Safe Speed', which alerts the driver to speed camera locations.

5. Portable tablet DVD player

Portable DVD player with 7" integrated screen. The player is supplied in its own case, which is suitable for mounting to the back of one front seat or centrally between two front seats. Supplied with two sets of headphones. With its own battery, the player is fully portable and can be used anywhere.

6. CD multiplayer

Six disc CD multoplayer.
Available for all models.

7. Rear shelf and speaker kit

Original rear shelf equipped with two co-axial speakers with Neodymium tweeters. Power output 2 x 50 watts RMS.

8. Cyclops driver safety system

Cyclops alerts drivers to the presence of a wide range of Safety Detection Devices (SDDs). SDDs are frequently sited in areas where there are known road safety issues, such as accident black spots or approaches to residential areas and schools. By alerting drivers to the proximity of these devices the appropriate speed can be maintained whilst within these areas.

9. Bluetooth Plug and Play hands-free kit

This hands-free kit, with caller ID, plugs directly into the cigarette lighter of your vehicle. It incorporates the latest Bluetooth technology, providing a wireless connection to your mobile phone.

10. Bluetooth hands-free earpiece

The SV0301 is the ultimate hands-free, wireless solution that connects your mobile phone to your headset via Bluetooth radio technology.

11. Fully integrated Bluetooth hands-free phone kit

Designed to be used with Bluetooth-compatible phones. Incorporating the latest in telephone technology, this hands-free phone kit offers full voice control for pick-up, hang-up and dialling by name. The kit mutes the radio during calls and uses the vehicle's audio speakers. In addition, Bluetooth technology enables the driver to place calls whilst driving, with the phone still inside a briefcase or a jacket pocket.

Protection

1. Brushed aluminium effect sill guards

Brushed aluminium style polycarbonate door sill protectors stamped with the Peugeot logo. Set of two.

6. Headlamp and foglight protectors

Protect your headlamps and foglights from damage caused by road debris. Sold as separate pairs (headlamp or foglight).

2. Door pillar decals

Adds that extra finishing touch by matching the door pillars to the rear window glass surround – 5-door only.

7. Rubber mats

Manufactured from hard-wearing washable rubber. Front and rear sets are available and sold separately.

3. Door handle protectors

Designed to protect the paintwork immediately below the door handle from scratches caused by rings and fingernails. Can be painted to match the vehicle paintwork if required.

8. Standard carpet mat set – grey

For effective protection of the original carpets. Embossed with 107 logo. Set of four.

4. Mudflaps

With 107 badges. Sold in pairs (front or rear).

9. Luxury carpet mats – anthracite

Offers the same protection as the standard mats, with the benefit of a more luxurious pile. Embossed with 107 logo.

5. Styled mudflaps

Sold in pairs.

10. Boot protection tray

Manufactured from hard-wearing washable rubber. Easy to fit and remove.

Safety and security

1. Recaro child seat* – 9 months to 12 years (9 to 36kg)

This fully adjustable child seat by renowned seat manufacturer Recaro, can be fitted in the front or rear seats and features machine-washable covers. A range of accessories that further increase child comfort is also available. See price list for full details.

5. Romer Duo ISOFIX child seat* – 9 months to 4 years (9 to 18kg)

This forward-facing seat utilises the vehicle's ISOFIX mountings to provide extra security. The seat features tilt adjustment and removable machine-washable covers. It is also possible to use this seat in vehicles without ISOFIX fixing using the vehicle's seat belt.

2. Romer Baby Safe baby seat* – up to 12 months (0 to 13kg)

Rear-facing child seat with canopy (sun visor), headrest and cushion reducer for new-born babies.

6. Thatcham Category 1 alarm

Protection of the boot, doors and bonnet, plus ultrasonic interior protection.

3. Kiddy Life child seat* – 9 months to 12 years (9 to 36kg)

Forward-facing child seat which uses the vehicle's original seat belts. This seat is fully adjustable for lateral, lumbar, leg and back support, making the seat adaptable for children up to 12 years of age.

7. Steering wheel cover lock

Protects against vehicle and airbag theft, one of the fastest growing areas of crime.

4. Child's booster cushion

For children between 4 and 11 years. Shown with optional backrest.

8. Locking wheel bolts

Protect your investment with our range of locking wheel bolts. Reduces the risk of theft of both alloy and steel road wheels.

*Please note that this seat should only be fitted in the front seat if the passenger airbag has been disabled.
